Dear Residents,

RE: GOODWOOD SAINTS FC UPDATE

Ahead of the COVID-19 related social restrictions being eased, our club in consultation with SA Health, SAPOL, SANFL, Adelaide Footy League and the Unley Council, has been planning a gradual return to training at Goodwood Oval, commencing on Tuesday 19th May.

Small groups of 10 can train with a maximum of 3 groups at any one time. A rotation system will see small groups using the oval for identified periods to be replaced by another group for similar periods involving our junior and senior male and female teams.

The SANFL Juniors and Adelaide Footy League anticipate matches to commence in early July. A date has yet to be confirmed.

The club is mindful of the need to maintain social distancing and has implemented a number of additional measures to enhance the health, safety and welfare of the players and the community using the oval and surrounds during this period. Any further easing or tightening of restrictions will be taken into account by the club in consultation with the necessary government agencies and the Unley Council.

The oval will be used from Tuesday to Friday and Saturday and Sundays in accordance with approved times in the existing lease. Only allowing a maximum of 30 players on the oval at any one time will present its challenges and we will be required to utilise other ovals for training.

Communications – Email Address Request
