Club Vision

The Goodwood Saints Football Club will be recognized as the premier football club affiliated with the South Australian Amateur Football League.

Club Mission

The Goodwood Saints Football Club will provide opportunities for people of all ages to enjoy a lifetime involvement with Australian Rules football.

Players will enjoy mate ship and enjoyment of football in a professional environment and will be given the opportunity to realize their full playing potential at both junior and senior level. Players will be provided with safe, above standard facilities. They will enjoy consistent on-field success and will receive reasonable financial rewards.

Members will enjoy their involvement with Australian Rules football in a safe, friendly, comfortable and family oriented environment. They will have the opportunity to become involved at all levels of the football club and will be rewarded with the ongoing success of the club. Members will have access to outstanding quality, reasonably priced licensed facilities to enhance their enjoyment of the club.

2016 ANNUAL REPORT

President's Message to Members

2016 has proven to be an unusual year for GSFC with our Senior A Grade side not making the finals for the first time in many years. However, the B Grade, C Grade and U18's all represented the club in the finals with the B Grade, under Adam Morgan, playing in the Grand Final. I must acknowledge the terrific work of Trent Mills. I also want to wish Adam Morgan, who has resigned after a very successful time as coach of both our B and C grade teams, all the best as he concentrates on his business interests. Also many thanks to Michael Lawton and Scott Uppington for their work.

The club also had another successful junior year with our U12's side winning the flag. Congratulations to Mark Ryan, his assistants, and players on a terrific year.

With huge numbers of Auskickers and teams ranging from U7's through to U16.5's, we can look forward to many boys coming into the senior teams for many years.

This year saw the club field 2 girls teams – U15's and U13's, playing games for the first time. Given the growth of numbers and the start of a national competition for women, we can only see girls football moving ahead at all levels. A big thank you to Tess Baxter & Cecilia Moretti for their work with the girls.

I would like to thank all of the Junior Coaches, Team Managers and the many parents who have helped in one way or another throughout the year.

As we all know clubs such as ours rely heavily on the generosity of our sponsors and I wish to acknowledge and thank our platinum sponsor The Avoca Hotel and our major sponsors William Buck Chartered Accountants, Cash Converters Clovelly Park, Atkins Building Group, Camporeale & Klemm Built, Advanced Dental Centre and Western United Financial Services. Their continued and generous support and that of all our sponsors is greatly appreciated. We as members and supporters of GSFC must do all we can to support them.

Fundraising is a most important area for the club with many other deserving community and sporting groups all vying for their share of the pie from the private sector and government. If any supporters can help in this area their input will be very welcome. Innovative people and ideas are always needed.

As I stated at the beginning of the year it is the responsibility of every Saints member & supporter to ensure that we provide a safe environment for all our players and coaches and umpires to enjoy their football. Abuse, either verbal or physical will not be tolerated.

Lastly I wish to thank all the Management Committee members and the Junior Sub-Committee members for their hard work throughout the year. Many hours of work goes on behind the scenes by people with only the best interests of GSFC at heart. Thank you to the retiring members for their efforts. A special mention to Brett Perry who is retiring as Senior Football Director after what has been an interesting year.

All the very best to every member of the Saints Family.

Chris Gates
President

2016 ANNUAL REPORT

Sponsorship Report

2016 was another fantastic year for the club with increased sponsorship coming from local businesses, new families and the dependable long time sponsors who continue to support the club with their generosity. Well done to all the hard-working Senior and Junior Committee plus all the other volunteers through the entire club who make this club so great.

As always, it is so important for EVERY family to take the time to find out who our sponsors are. This year we sent information to families via email and had sponsors booklets around the club to help promote their businesses. By supporting sponsors, or at least giving them the opportunity to quote, will ensure their commitment continues. This is the most important aspect for families and players at the club. If you don't say you are from Goodwood Saints when you purchase or ask for a quote, then the sponsor does not know that you are supporting them. I know that my family changed our long-time dentist this year to move to our new Sponsor Advanced Dental Centre on Cross Road and we are very happy.

Again, the player sponsor revenue from many long-term business supporters and members who sponsor players has been highlighted by the work of Dale Fitzpatrick and this continues to be a winning combination for the club and appreciated by the players. Great job again Dale and I look forward to another great year in 2017. Anyone can help with sponsorship by letting us know who we need to contact or asking the potential sponsor to contact me directly.

As every year, the focus in 2017 will continue to grow sponsorship to help this not for profit club to have the monies available for the expenses it incurs during the year and to put aside as it is available to save for additional improvements within the club. Many of our sponsors have been providing sponsorship for many years and it is fantastic that we are now finding more and more of our past player's children forming part of the Junior's competition with these past players becoming sponsors, coaches and team managers. This has been the vision of many past and present Committee members and the culture at GSFC will continue to be the envy of other clubs as we get stronger through this association.

Sharon Zacher-Partington has continued to help me in my role with many facets of sponsorship including emails, recognition certificates, photos for the player sponsors in clubrooms, organising Sponsors Day, plus staying on top of updating the Sponsors on our website and on the 50" dedicated LG Sponsor TV within the clubrooms. Of course, it was a team effort as we all want the best for the club, however, please understand that just because we have sponsors, monies and player registration coming to the club does not mean that the club makes a lot of money each year as our costs are enormous. This year the profit may be a little better than usual because we were under the senior salary cap, but our numbers at games was down which affects bar and food takings. I just wanted to remind everyone within the club that many things must go well to gain a profit each year and we are looking for major success on and off the field again next year.

Lastly, from my perspective it is great to see so many people who contribute throughout the club in so many ways and it is important to involve as many people as possible to also help where possible as their time permits. The Management Committee acknowledges that you may also be on the school committee or coach netball, softball etc. so may not be able to help as much as you would like but trust me when I say that every little bit helps. Thank you for being part of the Goodwood Saints Football Club. Go Saints!

Colin Shipton
Sponsorship Manager

2016 ANNUAL REPORT

Treasurer's Report

Whilst on the field the season wasn't as successfully as we would like or have come to expect certainly financially the club recorded a strong financial result. This is important but we are a football club and the focus as always is on being a successful football club on the field.

The highlights for the year include:

- Continued strong sponsorship – thanks to Colin Shipton for his unbelievable work and to all the businesses and individuals that support the club financially.
- The Special Events – Heritage Day, Ladies Day, Presidents Lunch & The Saints Ball – thanks to Bruce Ford, Mark Goodman, Adam & Victoria Morgan and all others for the fantastic work in making these events great.
- New Junior Jumpers – all junior grades received a new set of jumpers – we will now work on a 3-year rotation – again well done the Colin for sorting this out.
- Improved Merchandise – Bruce Ford has done a great job re-introducing a full range of merchandise – everyone looks great – well done Bruce

I'd like to give special thanks to the following:

- Sharon Partington for all her help during the year – very much appreciated Sharon
- Luke Braddy & Sally Atkinson for their work with the Juniors – collecting & recording subs, handling Junior umpire fees & takings from Sunday games.
- Con Eleftheriou – because he is a great guy (& also for running the raffles – again)
- Dale Fitzpatrick for expertly running player sponsorship again.
- Mick "Monster" Waite for carrying on the tradition of Patron Saints.
- Chuck, Megan & Kirky for making my job easier with bar takings.
- Adam & Victoria Morgan – it's not often that the Treasurer thanks the B Grade Coach but Adam & Victoria have gone above and beyond in organising the Coaches Ball but also helping with Ladies Day, Presidents Lunch & Presentation Night – thanks very much & well done.

The club is currently in a strong financial position and we must continue to work hard to ensure it remains that way.

I'm sure we will again be a force in the A Grade next year. Go Saints.

Martin Hill
Club Treasurer

2016 ANNUAL REPORT

A Grade (Division 1) – Coach’s Report

The 2016 season for the Division 1 side was disappointing when looking at the win / loss record. The team played, for most the season, without 11 players from the premierships side in 2015. This resulted in 36 players playing Division 1 A Grade throughout the year, of which 13 debuted. On a positive note this gave opportunities for several players, to taste Division 1 A Grade football and the standard required to be competitive at this level.

In addition, the Division 1 Reserve team played finals football, only to fall agonizingly short of winning another Premiership. Credit needs to be given to Adam Morgan for a fantastic effort in again getting the side to the Grand Final. Michael Lawton and Scott Uppington also led the C Grade and Under 18 sides into a finals campaign again.

The season provided us with a reality check and a reminder that playing finals football or in Premierships is not a right but something that must be earned. All parts of the team, both on and off field, need to be working well together to get the best results. The club’s depth was tested throughout the year and it was good to see players that have had several years’ experience in the B Grade side get their opportunity at an A Grade level. They should improve from this experience which will be of benefit to the club going forward. Congratulations must also go to Lou Whitelock and Anthony Skara who represented the club in the victorious State side.

Despite the results on field not being what we expect as a club there were still many people that volunteered their time. I would like to thank the Goodwood Saints Management Committee for their ongoing support and work they put in to ensure the club runs smoothly. The club legends in Colin “Tiny” Nelson, Hans Ellenbrook, Mark Goodman and Craig Kirkbright, and many others, continued to work tirelessly for the club.

On the playing side of things, I'd like to thank Scott Uppington and Adam Morgan for their assistance and support this year. I'd also like to thank David Bartel, who continued his role as the team runner throughout the year. Brett Perry continued his often-thankless task of football director and provided great support for us as a coaching group. His efforts are much appreciated. Thanks also to Michael Lawton for his support and role as C Grade coach.

I would like to acknowledge the work of all our medical team including, Scott Palmer, Jake Sadauskas and Luke Dixon from the Physio Studio - they provide great assistance to all the players at the club and without them we would not be able to put a team on the field each week. Hans Ellenbrook continued his great work for the club assisting in the medical area along with Eva Jakob, Megan Milde, Kiana Bartlett, Steven Chapman and Marc Wojkow.

A special mention always goes to Craig Kirkbright who not only is a great team manager but his assistance and rapport with the playing group is the glue every successful club needs.

I would also like to take this opportunity to acknowledge the great support of my family that allows me to coach and be a part of the club. Without this from my wife Emma, who does a magnificent job given the time I spend at work and coaching, then I would not be able to continue.

Finally, the main reasons for coaching are the rewards you get from teaching and watching the young men from the playing group develop. We have learnt a lot as a group this year and we will take those learnings into next year. We as a club will be ensuring that we are back contending for premierships again next year and I look forward to the hard work that will take.

Trent Mills
A Grade (Division 1) Senior Coach

2016 ANNUAL REPORT

B Grade (Division 1 Reserves) Coach's Report

With Player Retirements, Transfers and changes in Coaching Staff, 2016 was always going to be a challenge, for all our senior sides. We gathered at our regular Pre-Season venue – The River Torrens for the Weir Run on Wednesday the 9th of December and away we went.

Premiership Coach **Trent Mills** was in charge, **Mason Ellis** rolled his ankle walking from the car, **Michael Lawton** beat many a younger man in on the run and Club Legend **Colin “Tiny” Nelson** was there with the Van, packed with cold water bottles and a very handy ice pack – fortunately some things never change.

We had 3 sessions a week available during Pre-Season – Mondays and Wednesdays at Concordia College and a “Top Up” session Saturday mornings at St Mary's Oval, all were well attended.

I'm confident we delivered a varied and challenging Training Program throughout the season. We focused on Short Style competitive games, based around Match Day structures, Skills and Technique. We introduced specialist-training sessions;

- Working with Crows Conditioning Coach **Warwick Raymond** in July and August, these sessions were focused on Tackling Techniques and proved extremely popular
- We ran a Water Aerobics sessions at Westminster School, during the June Bye
- We Trained at Thebarton Oval in June/July and St Mary's Oval again in August
- We experienced Training Indoors at the Indoor Cricket Arena at Edwardstown, when Goodwood Oval needed a reprieve.
- And we introduced Video review for the players with Rounds 1, 5, 14, 17,18 and all the Minor Finals offered for Video Review via Social Media links.

It was a full and comprehensive Training Program on and off the field.

The Reserves started the season well in Round 1, with a 9-goal victory over Unley Jets Away from Home, **Ben Chant and Max Duncan** dominated the 2nd Half and who could forget **Sam Elms'** run from behind tackle on a cocky Jets opponent. The Video footage from that game, where we laid 6 effective tackles in 90 seconds to a **Ben Allevi** goal, was a regular in our training program throughout the year. Effective tackling and our smothering technique – the 1%'s were a focus throughout the year. It was no coincidence that when we tackled well, smothered effectively, we won. That was the case with, Wins at Home over ROCS in Round 2 and Payneham Round 3 and another Away Victory over Port Districts at Largs Bay in Round 4. With high tackle counts per game and genuine pressure on our opponents, we were off to a good start.

Reality kicked in with Round 5 at Home, when we left the victory door open against Adelaide Uni in the last quarter and The Blacks ran thru it with a 4-goal final quarter, winning by 8 points, our 1st loss for the season. The learning curve is always just around the corner, when you take the pressure off your opponents.

Round 6 saw us play PAOC at Park 9, a huge challenge, coming off that previous week's loss.... and **with Kym Hand and Dave Serotzki** in charge the boys kicked 5 goals in that Last quarter – to run out winners by 15 points. **Tom Lynch was Best on Ground; Captain Tom Jones** was inspirational in the Centre and **Lewis George** dominated on the Wing.

Rounds 7 and 8 saw 70 and 100-point victories over Salisbury North and Henley respectively and in Round 9 we travelled out to TTG for a thrilling 4-point victory away from Home. Regular A Grader **Andy Caire** played a significant role in this young side that day, leading from the front kicking the winning goal, **Andrew Good** took control in Ruck against the Big Gullies Boys and **Hayden Byrne and Lewis George** continued to dominate on the Wings, with blistering pace and great ball use.

2016 ANNUAL REPORT

At the mid-way mark we were 8 Wins and 1 loss sitting on top of the ladder.

With a relatively young squad, the Season had a development theme and focus. Most of our players were under 23 and many under 20 years of age. During the season, we promoted 19 Players thru to A Grade, 18 players up from the C1's (50% up on previous years) and 4 U/18 Players thru to their 1st senior games.

For this young side, the 2nd Half of the season saw a pattern beginning to form, where we would outscore opponents for 3 quarters but we would then take "our foot off the pedal" at some stage and let them back in. From a Coaching perspective, we focused on the 1st Quarter and then breaking down the remaining 66 minutes' quarter by quarter, not wanting to let any quarter slip. The players worked hard to maintain that focus and in Rounds 10, 11 and 12 we won convincingly with 4 Quarter efforts over Unley, ROCS and Payneham NU.

However, in Round 13 at Home v Port Districts we were left short with a 6 Goal to 2 second half, and dropped a game we never should have lost. Credit to Districts they out bullied us in the Heavy conditions. Round 14 was another heavy conditioned match and in a top of the table clash we stopped at 3 Quarter time, kicking only 2 points to PAOC's 4 Goal 6 in the last - Losing by 8 points. Yes, we were undermanned but the opportunity was there to take that win. We were struggling to play 4 quarters under pressure.

Round 15 we travelled out to Salisbury North and bounced back with a 40-point victory. Round 16 - Henley at Henley saw a poor second half, kicking only 2 Goals 5 under pressure - that was simply not good enough. In Round 17 we were undermanned again and got a Football Lesson from the TTG Wolves, losing by 49 points at Home.

Round 18 we bounced back with a 66-point victory over Adelaide Uni at Park 10, we fielded our best back 6 for several weeks and the run from defence was sensational with **Jimmy Seotzki, Dan Trussell, Jordan Pressler** all playing well and **Henry Clarke** kicking 5 goals. Winning Form is Good form, going in to Finals.

In the Qualifying Final, we ran out winners by 31 points out at Pertaringa Oval, **Blake Kennedy was Best on Ground, Matty Ewers** was in stellar form up on the Wing and **Loucas Theodoulou** showed his class deep in defence. The 2nd Semi v Princes at St Mary's Oval was probably "the one that got away", we identified we had the endeavor, we had the game plan, but we failed to execute correctly at key times and after leading all day went down by 2 points, forcing us to play off against Henley again out at Pertaringa Oval.

That Prelim Final was one of the best wins I have ever been associated with in over 30 years of Footy. Down to 19 men in the 2nd Half we lifted to a man and dominated Henley, running out winners by 35 points. Our Leaders **Tom Jones and Max Duncan** led from the front and **Tom Lynch and Ben Regester** played their best games for the season. We Tackled well, smothered with intensity and out hustled our opponents, most importantly we did not have a bad game from anyone, we were at our best against the odds.

Clearly our best was good enough, we beat every opponent at one stage or another along the journey. And of course, we worked our way in to the Grand Final, with 13 Home and Away wins and 2 Finals wins, both played Away from Home.

Grand Final day was upon us and we were confident we could redeem that narrow loss from the 2nd Semi, all we had to do was stick to our game plan & structures and execute correctly under pressure – we planned to tackle intensely and effectively, apply man on man pressure to our opponents, smother & force their errors, control the ball, run and carry from defence and through the middle of the Big

2016 ANNUAL REPORT

Thebarton Oval space delivering deep to our Forwards inside the “Hot Spot Zone”. In the 1st 5 minutes we dominated play without impacting the scoreboard, we didn’t play our best in the 1st half but we were still in it, only 11 points down at Half Time. Throughout the season we, had a mantra – **“if our opponents kick 2 quick goals, we lock it down”**. Unfortunately, we failed to do this, Princes kicked 6 unanswered goals in the 3rd and we were always going to find it hard to come back from there. To our credit we kicked 5 goals in the last quarter but so did our opponents. We were given another Football Lesson; they played exactly how we wanted to play. Princes put us under pressure; we fumbled and coughed up the footy and fell away from our structures and plans. I’m confident this young group will learn from this loss and lesson - And go on to do great things for the club in the future – we must learn from this.

In closing, I want to thank Trent and the club for appointing me 3 years ago. We won 2 Premierships from 3 Grand Finals. And I can assure you; I gave everything I have in coaching the C1’s and Reserves over the past 3 years. I want to thank **Kym Hand and Dave Serotzki** who supported me every week, **Chris Verrall** for being a great mentor and Team Manager, the leadership group **Tom Jones, Max Duncan, Alex Schiller and Jason Fleming** who were outstanding on and off the field, the players for their sacrifices and efforts throughout the season And Finally, my beautiful wife **Victoria and my family Laura, Elsa and Alex** for their unconditional support, over the years. Thank you – Go Saints!

Adam Morgan
B Grade (Division 1 Reserves) Coach

2016 ANNUAL REPORT

C1 Grade Coach's Report

Firstly, I would like to thank all involved with the C grade this year...the 60 odd players that rolled through the C Grade. It was a tough year for us with a high turnover of players each week & some week's only having 18 or 19 made it difficult.

Finishing 5th at the end of the year & going out straight away in the elimination final was tough to deal with but as has been the case all year our, finishing in front of goals cost us in the end...lesson learnt I suppose!

The character of the players can't be questioned at all...I thank all of you for your efforts. Some of things I will take away this year is the willingness of some of the 'older' blokes to help us out at short notice with pulling on the boots. This happened quite a few times and it just shows that there is a lot of love for our great club.

Also towards the back end of the year seeing some of the U/18's help out and play was just awesome and shows that the club is in good hands for future years. I look forward to seeing more of the younger lads come through next year.

Thanks to our trainer Al May who has been with us for a few years now and is certainly a passionate Saint! To Dion Stendt, our Team Manager again this year, always super organised and helpful with anything needed off field. To Dizzy who was our runner this year...great man who loves the club and I'm sure will always be involved in some way with the Saints. To Darron Hogben who assisted with the coaching this year and just loves being around the club and loves the Saints (now coaching junior footy). Thanks' Hoggy for all your input this year. To Tom Pysing who also helped with the coaching and has a real passion for it and a good footy head on his shoulders. Thanks' mate and look forward to next year! To our Footy Director Brett Perry, a big thank you for what you do. It is pretty much a fulltime job but you always get the job done...thanks. To Trent, Morgs and Scotty thanks for all your input, help and advice during the year, I've learnt a great deal from all of you. A special thank you to Paul Page who dedicates his Saturdays during footy season to umpiring our C Grade matches, both home and away. Thanks again for the commitment mate.

I would also like to thank our great committee who work very hard to keep the club going and make it easy for us to roll up and keep playing.

Last but not least thanks to my family for their support this season to take on the C grade roll, Mel, Chloe, Jack, Tom & Harry.....I thank you!

Michael Lawton
C Grade (Division C1) Coach

2016 ANNUAL REPORT

U18's Coach's Report

When pre-season training commenced way back in February once again I was looking forward to the season ahead with much optimism and confidence. Pre-season training numbers were very strong and it was clear from the start that once again we were blessed as a club to have a fine group of young men with which to work. From very early in the piece there was something about this group. There was a great willingness to listen, learn and a great buy in from the players into what we were trying to teach and instill in the group.

With the decision by the amateur league to run with an 8 team, 14 round competition, it meant a later start to the season proper, in mid-April. Following several encouraging trial game performances, we travelled to Modbury for Round 1 of the season with a solid first up win. On Anzac Day, we visited a team that we have had some great battles with in my time at Goodwood in Flinders Park. After jumping out of the gates early we faded to a disappointing loss. As it turned out this would be our last loss for a while. We went on to win our next 7 games. During this sequence, we had a great win over Port District and a solid win over Tea Tree Gully which was also disappointing for the fact we incurred a melee fine for some incidents during the game. Round 9 probably saw what was to be the high point of our season – an “after the siren” win over Flinders Park. This win typified to me the character of the playing group. Having given Flinders Park a 4 goal start the players showed testament to something they had recently penned that they wanted other sides to think of them as a “we never give up team.” It was a game that we never led until after the final siren when Isaiah Place coolly slotted from 35m out. The win put us top of the ladder and seemed to be the catalyst for us to get a bit ahead of ourselves.

Following a bad loss to Port District we travelled to another one of our arch rivals in Henley. They were certainly well prepared and not being in finals contention treated this as their Grand Final. A win to Henley was again testament to the division and the realisation that there were no easy games in our competition. However, the result of the game was largely irrelevant as unfortunately as a group we again became very undisciplined resulting in an all-in melee after the final siren. What transpired was hard for me to cope with, more because of the embarrassment to the club than anything else. I left the night thinking we're not an undisciplined group but sides have learnt that if they niggle us we react. We addressed this at a team meeting at training during the week. Again, as a testament to the character of the playing group, it was the players who put some very stern and solid team rules in place for the remainder of the season.

The minor round ended with 3 solid wins. With other results going our way and with a super win in atrocious conditions in the last round we managed to finish the minor round on top meaning a week off in week one of the finals.

On to finals. While I am the last to make excuses, it is reality that injuries and unavailability late in the season and, particularly in finals, played their part. Our first final was a second semi against Flinders Park with a spot in the Grand Final on the line. Unfortunately, we didn't have the best of first halves this day and found ourselves 25 points down at the main break. Again, the character of the group shone through. A big third quarter saw us only 2 points down at the final break. Despite having some chances early in the last to take the lead, Flinders Park ran out 19 point winners. Next up a cut throat Preliminary Final against Payneham NU. The playing group was buoyed by several key inclusions and we were confident as a group as we knew our best footy was good enough. Much like the first final we didn't play our best in the first half and found ourselves with a three-goal deficit at half-time. A special mention here must go to Dan Evans who with some help from team-mates sensed that it was now or never! “Chops” was instrumental in getting us back in the game; however, we couldn't make our chances count on the scoreboard kicking 2-6 to 0-0 in 12 or so minutes of dominance. Three quarter time came around and we trailed by a measly 6 points. We again had our chances in the last but unfortunately couldn't take them and Payneham ran out winners 8-3 to 4-11.

2016 ANNUAL REPORT

It was a disappointing end to a wonderful season. My over-riding emotion in the aftermath was I was just shattered for the players. It was very hard to see a group of young men that had developed as both individuals, and as a group so gutted.

While the season ended in disappointment there were many highlights as follows:

- 35 players represented the U18's this year.
- Several players who played games at SANFL clubs at both reserves & U18's level.
- Several players who played multiple games in our B and C grade sides.
- Seeing the group develop, on a team and individual level, not just as footballers but as people.

Of course, our season this year would not have been possible without the tireless contributions of many people off the field. I would like to thank the following, I hope I don't miss anyone but if I do then apologies, but you're all special and huge part of what makes this club so great. In no order: Craig Kirkbright, Craig Scott, Tiny Nelson, Tiny's mate - Russell, Nugget Rees, Dion Stendt, Sean Gillespie, Hans Ellenbrook, Colin Shipton, Andrew Braley and Chris Gates.

To some other people that deserve a special mention. All the parents for being so supportive of me. Brett Perry for providing such strong support as Football Director. To Sharon Zacher-Partington, thank you for all your help with any administration work. Mark Goodman, who as we all know works tirelessly for the club. Kym Hand – you're a star – always happy to help and offer advice and field a lot of my phone calls! To the other Senior Coaches – Trent Mills, Adam Morgan and Michael Lawton – thank you for being so supportive and giving me a sounding board for advice and to bounce ideas off. Eva and all our friends at Physio Studio for providing such professional medical support. Tony Curtis for being a well organised Team Manager and for also keeping me calm at times. Kym Staker for doing the time-keeping at home games. To Eric and Lauren Kells and our team mascot Declan Kells. Thanks for giving up your Sunday; it was great having you help me out again this year Sir Eric. I again quickly noticed from the start that when you speak, the boys listen.

Lastly and most importantly the final group I want to thank are the players. Firstly, to our leadership group – Captain, Marco Cecere-Palazzo and Vice Captains, Tom Foster and Zac Slawinski, a massive thanks to you guys as leaders. Congratulations to our award winners, Archie Davis (B&F), Josh Wilson (runner-up B&F), Tom Foster (Best Team Man), Callan Kudra-Harding and Reece Staker (Coaches Trophies). To the playing group you were an awesome group to coach. The most pleasing thing from my perspective is to see you developing into fine young men – something that tells me the future and culture of the club is so very bright. I will finish my address to the players by reiterating something from our Best & Fairest night – “We're not disappointed in you, We're disappointed for you.” Use the disappointment of this year to spur you on and make sure you stick together as a group. With what is coming up from the U16.5's I've no doubt the U18's will be strong again.

In closing, thank you to the entire football club. While it isn't set in concrete yet, I may not be able to fill the role of U18's coach next year with some other aspirations I have. I certainly still hope to be involved in the U18's in some capacity. I cannot thank everyone involved in the football club enough for all their help and support over the past three years. See you soon!

GO SAINTS!

Scott Uppington
U18's Coach

2016 ANNUAL REPORT

C7's Report

Firstly, thanks again to the Goodwood Football Club for their continuing support, particularly the tireless efforts of Chris and Sharon.

The season for the C7 guys kicked off with pre-season in early April, some 7 weeks before the season started, with up to 15 guys regularly attending. By the time we got into the actual season, our numbers swelled up to 21, which proved a little difficult in a 12-a-side competition – thanks to the flexibility of a few coaches on match days we managed to get most guys on the ground for most of each game. Pleasingly many of the “new” guys were late school age kids trying for the first time, which was great.

The C7 side continues to improve in terms of their skills, both individual and team based. It is a credit to their commitment, and the improvement was noted enviously by the other coaches in the league which was great. GSFC managed to make the finals, but were eliminated by one of the three very strong teams in the competition, Salisbury, in week 1.

In terms of the competition itself, the C7 competition was expanded to include a fifth side, from Henley, this year. On the downside, introduction of the fifth team meant that we had two byes in a ten-week competition, which was poor.

Inclusive Sports SA did a season review with 4 of the 5 coaches at the end of the year. Significant issues raised were:

- The continual poor standard of umpiring, and the impact it has on the players
- The season being too short (only 8 games this year, our pre-season was longer!)
- The competition being very uneven – Kilburn, Salisbury and now Henley (straight into the Grand Final in their first year) remain too strong, and the competition needs a mechanism to even out the teams – not easy, but necessary.
- The opportunity to play games on a Saturday afternoon straight after senior games, to get some integration going.

During the season, we were lucky to have two “Senior” players come out to training for 3 or 4 weeks – the guys loved it, as did the senior guys I think. If we could get that sort of involvement going all season (and pre-season??) it would be a massive boost for our squad.

Opportunities (and please don't take these the wrong way!)

- Training times are problematic for us; we seem to play second fiddle to everyone. Even though we started at 6.30pm instead of 6.00 pm this year, we rarely got oval access due to Auskick going way over time, and no-one seeming to care about it. Next year we need to start at 6pm again, as the guys generally get their early and it suits them better in terms of work and meals – not sure how this will work? The C7 guys also run second fiddle to the guys who train at the same time as us (16s or 18s?) – we never once got access to the centre of the oval for training, it seemed to be assumed that we would not use it.
- Chris Gates kindly found us a few used yellow footies for the season so that we could replace a couple. Currently we probably have two footies that can be functionally used at night under lights – I understand that footballs are expensive, and have been trying to get some sponsorship for the boys, but we have handed down hand me downs as footies, which makes it challenging for our guys who already have a lot of challenges in life.

2016 ANNUAL REPORT

As you are all aware, C7 football is all about integration and inclusiveness - whilst the team and support guys are grateful for everything that the club does, we seem to be stuck in a space between Juniors and seniors that does not have any link to either. I know also that running a football club is challenging, I am on a footy club committee. I think the entire club would benefit by some thinking on integrating these guys into the club further – there is a lot to be gained for everyone in the “Inclusive” sport domain, I’m lucky I have such exposure. I think the GSFC would become an even better club by raising the profile of the C7 team and everyone benefitting by the experience – and I’m very happy to be involved in how we do that.

Gary Sutherland
C7's Coach

2016 ANNUAL REPORT

Junior Football Director's Report

A big thankyou to the members of the Junior Sub-committee. Their collective commitment, enthusiasm and support has once again provided a wonderful environment for our junior players.

Like many clubs, this year was our first year in the new look SANFL Junior league. Whilst we had some challenges, all in all the year was a great success.

U7's – Past player Steff Basso stepped-in to coach our second year Auskick group. The competition consisted of 6 clubs and a 6-week fixture. Steff did a fantastic job guiding and teaching the lads about zones, ball movement and above all skills and mate ship. Our side played well with all players thoroughly enjoying the experience. Assistant Coach Luke Dixon provided great support as did Team Manager, Jessica Adamson.

U8's – Coach Mark Eichler had a great season motivating the group and developing skills of our young chargers. The team thoroughly enjoyed their season and played some very good football. Mark was well supported by Assistant Coach Matt Harris and Team Manager Verity Ferguson.

U9's – Coach and past player Charlie Thomas coached this group with much enthusiasm, introducing structure and focusing on team work and mate ship. Many great passages of play from a team enjoying their footy. Darron Hogben assisted, with Simon Graetz again fulfilling the Team Manager role.

U10's – Past player Darren Chyer continued coaching this group. Darren's progressive style provided ongoing skills development across the group, it was great to see some confident passages of play. Trent Mills offered great support as Assistant Coach as with experienced Team Manager's Justin and Lynda Speedy.

U11's – Matthew Earl had another positive season with this group. Matt commenced coaching this side as U8's and has delivered a team with much improved skills and confidence. Troy Klemm and Bruce Ford did excellent jobs assisting and Team Manager Toby Priest once again added value in the role. A highlight of our U11's this season was winning the end of season carnival – going through the fixture undefeated, well done!

U12's – Mark Ryan had an impressive year focusing on the importance of self-belief, team work, skills development and introducing simple but effective structures. The lads responded & won the SANFL Junior League U12's Grand Final – a fantastic effort! I'm sure Mark will have continued success with this group. Mark had great support from Assistant Coach Marc Zinndorf and Team Manager Phil Jones. Matt Noblet did a great job as runner.

2016 ANNUAL REPORT

U13's – Michael Lawton had a great year investing much time and effort introducing structures and game day plans. A strong focus on skills and team work produced another positive year, these lads play well and show great spirit. Michael enjoyed solid support from Assistant Coach David Whelan and Matthew Allen as Team Manager and Phil Jones as runner. This year was Michael's final year with this group – we thank him so much for his contribution, enthusiasm & time and effort.

U14's – Kym Laube placed emphasis on skills, competing at every opportunity and ensuring the lads enjoyed their footy and played with structure. This group has real potential and should be proud of their efforts in season 2016 – playing finals football. Second year coach Kym is keen to continue the journey and build on this year's performances. Kym was well supported by Assistant Coaches Michael Sipek, Mark Wormer and Team Manager Heather Jenkins with Grant Bock undertaking the role as runner.

U15's - Coach Michael Lawton placed emphasis on skills, competing at every opportunity and ensuring the lads enjoyed their footy. The competitive spirit of this group is alive and well and was evident throughout the season. This group has real potential and should be proud of their improvements in season 2016. A few new players were welcomed into the group and we look forward to continuing to improve. Michael was well supported by Assistant Coach Andrew Braley and Team Manager Greg Colls with a special mention to current player Anthony Dempsey undertaking the runner's role.

U16.5's – Coach Michael Wakim worked diligently to identify key areas in need of improvement. Simon Charlton provided great support during the first 4 rounds. Michael focused on fitness, skill development, promoting teamwork and game day structures / plans. The team enjoyed a few successes and demonstrated there's plenty of potential for those transitioning into Senior football. Michael was well supported by David Fairlie and Team Manager Nicole Laube.

Girls football – Cecilia Moretti once again did a great job bringing two teams together this year. We welcomed the experience of new girl's football coach Tess Baxter and assistant Jess Edwards to our U13's & U15's. It was encouraging to see Tess and Jess identify improvement needs and deliver training drills to suit. Once again this year, our girls played with plenty of spirit, passion and enthusiasm – a joy to watch! A big thankyou to Andrew Sanderson for undertaking the U15 Team Manager role and Donna-Deane-Freeman the U13's. We look forward to another exciting year of development for our girls. Keep up the good work!

Andrew Braley
Junior Football Director

2016 ANNUAL REPORT

Fundraising & Social Co-Ordinators Report

The 2016 Goodwood Saints Footy Season had a very busy social and fundraising calendar. This included Home Game BBQ's Sponsor's Day, Patron Saint's Day, Players Night, Coaches Ball, Band Night, Premiership Reunions Day, Presidents Lunch, Ladies Day and Heritage Day. We also decided to broaden the Goodwood Saints Football Club merchandise range to our members. As the Social/Fundraising Director, my role was to co-ordinate these events and facilitate the merchandise. I could achieve this with the support of both junior and senior committee members, parents, past and present players, coaches and club members who volunteered their time to assist me in organising these events. Without the ongoing support of these volunteers, the club we would not be as successful as we are today and these events would not happen.

Home Game BBQ

Every home game, a BBQ team leader who would organise a team of 4-5 people to setup, cook, serve and pack the BBQ. I would like to thank the following team leaders: - Simon Charlton, Craig Scott, Mark Goodman, Mick Waite, Dale Fitzpatrick, Ross McLaren, Jason Goodes and the girls that cooked on Presidents Lunch Day for organising their teams and making sure it ran smoothly on their days and many thanks to the team's members for their support as well.

Ladies Day – 5 June 2016

This year's Ladies Day affiliated a fund raising for Breast Cancer Awareness (LaceUpforLynne). Over 100 ladies attended a day on the hill in a marquee with a food and drinks package and a few games. Well done to Sue Piliczky, Kylie Noblet and Sharon Zacher-Partington for organising such a successful day and to Craig Scott of being the MC.

Band Night – 18 June 2016

Goodwood Saints players, Daniel Scott, Charlie Haren, Jack Green, Will Clarke and Archie Davis showed their skills as musicians in their band 'All Torn Down' on Saturday 18 June. Thanks for putting on a great show.

Sponsors Day and Players Night – 23 April 2016

Sponsors Day was held in a marquee on the hill watching a triple header at Goodwood Oval. The Saints took on Rostrevor Old Collegians. Many thanks to Colin Shipton for organising this event. The Players, girlfriends and friends had a great night at the Reverse Raffle Players Night. It included a fun night of drink specials, happy hour and loads of prizes throughout the night. Thanks to Anthony Dempsey, Aaron Bayliss and Ben Johnston for organising the night.

Patron Saints Day – 14 May 2016

The annual Patron Saints Day was held on the hill at Goodwood Oval, we played Adelaide Uni. Mick Waite did a fantastic job organising our Patron Saint Club this year and organising this event. BBQ and beers vouchers were provided to all patron saints who attended and a great day was had by all.

Heritage Day – 25 June 2016

The Goodwood Saints Heritage round was held on Saturday, 25th June against Unley Mercedes Jets. Unfortunately, due to an Unley Jets player being badly injured during the game, the game was aborted and the auctioning of the Heritage Guernsey's was postponed to 30 July. Thanks to Mark Goodman for organising the Heritage Guernsey's.

Presidents Lunch – 30 July 2016

Matt Noblet and I organised SANFL Hall of Famers Chris and James Gowan to speak at this year's President Lunch. Everyone who attended the lunch received a 3 hour a food and drinks package. Thanks to all the volunteers who worked tirelessly in the kitchen doing the catering and to Matt Noblet

2016 ANNUAL REPORT

for helping me organise this lunch. The Gowan brothers were very entertaining and that night Craig Scott and Matt Illman did a fantastic job auctioning the Heritage round Guernsey's.

Premiership Reunion Day – 16 July 2016

On Saturday 16 July, the Goodwood Saints Football Club will be hosted the 10th Anniversary Premiership Reunion for the 2006 A & C Grade sides and the 30th Anniversary of the 1986 B Grade squad. It was a triple deader at Saint Park and a great day was had on the hill by all the past players who could made it. Thanks to Sharon Zacher-Partington for organising this reunion.

Goodwood Saints Coaches Ball – 9 July 2016

The Goodwood Saints Coaches Ball was held on 9 July 2016. Adam and Victoria Morgan did a fantastic job organising the venue, costings, advertising, menu, booking details, DJ and the list goes on. It was truly amazing what they put together. Consequently, the Ball was sold out well and truly prior to the event. The night was fantastic and it was great to see everyone dressed. Well done to Adam and Victoria and a huge thank you for organising this event.

Club Merchandise

In 2016, the Committee decided to broaden the Goodwood Saints Football Club merchandise range to its members. The pre-work conducted by Colin Shipton in consultation with Craig Watts from PPI to organise the merchandise was outstanding. It was great to see such a fantastic range of merchandise products available at the club. This all came to fruition on 10 April 2016, at the Junior Jumper Day with the PPI van setup near the club entrance, the new merchandise was launched. The efforts of Sue Piliczky and Kylie Noblet were unbelievable with queues of people lining up to purchase merchandise for approximately 6 hours. A big thankyou to Craig, Sue and Kylie.

General

I would also like to say a huge thank you to Sharon Zacher-Partington and Mark Goodman for all the work they did to assist me in my role this year. The amount of time and effort displayed by these committee members is outstanding.

Bruce Ford
Social & Fundraising Director

2016 ANNUAL REPORT

Facilities Report

Unlike previous years, this year we had no expenditure on major projects around the club but several items are in the pipeline for 2017 and beyond.

We are hopeful of a refurbishment to the men's and woman's inside toilet areas that are long overdue. Our storage facilities are near non-existent with it being a struggle every year to find places to secure our ever-increasing need for equipment. The bigger we get numbers wise the harder it gets to store it all although it is a good problem to have, so many people wanting to be associated with us.

This year saw the introduction of our new chef John Condon who came across from the Millswood Bowling Club and gave us good valued meals every Thursday and Saturday nights.

The bar was once again Managed by Megan and Chuck for the eighth year on Thursday and Saturday nights with the great legend Craig (Kirky) Kirkbright once again holding down Friday's and special function days.

Debra Arnold decided to take on the role of Canteen Manager and was well assisted on Saturdays by Henry Curtis and on Sunday's, Junior parents and Sharon Zacher-Partington. Many thanks to you all.

With the introduction of an U7 and two girls' sides we are well and truly at oval overuse stage and we are investigating the use of other venues to accommodate our excess numbers. So, at some stage during the year several sides including seniors will be asked to train off site to allow the oval time to recover as we did on a few occasions this year. Not ideal but as we are only lease holders we need to work with council to better manage our greatest asset.

Thank you to all for a good year and we look forward to a better year in 2017.

Mark Goodman
Facilities Manager
